***Memorandum of Understanding  
and cooperation  
in the domains of Education, Quality of Care and the field of Competence  
in Physical and Rehabilitation Medicine***

The European Society of Physical and Rehabilitation Medicine (ESPRM) and the Mediterranean Forum of Physical and Rehabilitation Medicine (MFPRM), wish to cooperate in the domains of Education, of Quality of Physical and Rehabilitation Medicine programmes and for defining the Field of competence of PRM in order to further develop the Specialty at a European and Mediterranean Level.

The MFPRM is looking forward to work together in preparing E-Books, hosting ESPRM representatives at their meetings, in having reduced fees for European Board Certified colleagues and in publishing news regarding the ESPRM in their websites and official journals.

The ESPRM will do its best to promote the MFPRM and Rehabilitation Society by adding a link to the MFPRM's website on a devoted page of their websites, promote the MFPRM Congresses and international courses on their European Calendar as well as circulating information about these events to all on their mailing lists, publish links to MFPRM's recommendations and guidelines related to PRM clinical practice and take these into account when assessing PRM programmes for European Accreditation.
